Maybe Little Johnny isn't so stupid...
A kindergarten teacher was trying to prove a point to her students. She asked "for anyone who thinks they are stupid, please stand up". The teacher paused and since she really wasn't expecting anyone to stand, she began to speak again, but little Johnny stood. Stunned the teacher asked, "Johnny, do you really think you are stupid?" "No." replied Johnny, "But, I didn't want you standing there all by yourself!"
